NHPA II CLASSES

*PLEASE NOTE that due to our teachers still being active in their professional dance careers, NHPA II classes are subject to substitution of instructors or temporary cancellation/rescheduling during production weeks.

*Students are placed in classes according to age and ability. The first few weeks of classes in the 2020-2021 Season will be used as "placement" classes for each student. Our emphasis at NHPA II is on learning excellent technique, therefore students may be moved up or down in Levels at their teacher's discretion once "placement" classes have been completed. Teachers may also opt to move students to different Levels as evaluations are made throughout the dance season.

*Classes are closed once capacity is reached. NHPA II reserves the right to cancel any class that does not meet a minimum requirement and to refuse its services to anyone it deems necessary.

*NHPA II follows most holidays in GPISD & Channelview ISD. However, we do not close on all holidays so signs will be posted to notify students and parents of each studio closing.

NHPA II Policies/Etiquette

- All students must wear dance attire that is appropriate to their class.
- All students must wear coverups and street shoes to and from the studio. The bathrooms will not be used as dressing rooms, so please come with your dance wear on.
- No gum, food or drinks are allowed in the dance rooms. Only a small water bottle is allowed.
- Please throw away any trash that you have at the end of the night before you leave so that we can keep our dance rooms clean.
- The lobby is closed until further notice. Parents are not allowed to come into the lobby, or dance rooms at this time.
- Students must bring their dance bags inside the dance room and keep them at their designated dance space while in class. **Cell phones must be turned off and packed away in students' dance bags while class is in session.** Neither NHPA II, nor its Teachers/Staff will be held responsible for loss or theft of personal items. Each student must maintain a safe social distance of 6ft., be respectful of others, and do not bother with anyone else's belongings.
- Utmost respect is to be given to your instructors. Teachers will dismiss any student who disrupts the class.
- Students should arrive at least 5 to 10 minutes before their class time to assure promptness and avoid class disturbances. There are specific Guidelines and Procedures NHPA II will be implementing for the safe return of our dancers back to the studio. The protocols necessary for entering the studio need to take place at the

prompt times indicated for your student's schedule. All parents/guardians need to make sure they are aware of their children's class schedule for prompt drop-off/pick-up times.

- The well being of our students and their families is of utmost concern to us. If you leave your children unattended outside the building please note they will not have adult supervision from the Teachers/Staff of NHPA II. There is a lot of traffic in the drive and parking lot of our studio, so keep a watchful eye!
- Students are encouraged to attend class on a regular basis for maximum progress. If you are interested in taking extra classes or making up a missed class, talk with your instructor.
